# INTEX Window Surrounds

INTEX Window and Door Surrounds are available in standard sizes to match windows from today's most popular manufacturers, including Andersen and others. Our surrounds can be ordered fully assembled or as a kit for assembly on site.

Look for our on-line configurator Q<sup>2</sup> at [www.intexmillwork.com](http://www.intexmillwork.com)

## Quick Quote

### Quick Quote, Our On-Line Window Surround Price Configurator

On-line, our web based Window Surround pricing configurator is quick and easy. Visit our web site and jump right in, [www.intexmillwork.com](http://www.intexmillwork.com) - On our home page click on the Q2 logo and start quoting.

Simply follow these 7 steps and you're done.

- Step 1:** Choose your surround, either pre-assembled or knock down.
- Step 2:** Choose your window surround profile.
- Step 3:** Choose your Nail Flange, Crown Head and Sill Nose options.
- Step 4:** Choose your window shape.
- Step 5:** Choose your window manufacturer.
- Step 6:** Choose your window, and or size.
- Step 7:** Find your surround. From here you can choose your quantity, start a new search within your quote or simply finalize your quote, email it or print it. Simply put, it's that fast, that easy and you're done.

## INTEX Finishing Procedure

Manufactured from PVC trim board, which is UV-resistant and does not require painting for protection. The products may be painted to achieve a custom color. Use exterior 100% acrylic paint.

Caution: To decrease the chance of separation due to expansion/contraction, do not paint Intex Millwork products dark colors where they will be exposed to direct sunlight.

(Paint should have a light reflective value of 55 or greater)
